**Subject: Facility Number - 07-AA-0002  
Acme Landfill RFI Amendment Application**

Dear Mr. Farros:

On August 12, 2010, Contra Costa County Environmental Health received your application for an amendment to the Report of Facility Information (RFI) to include the shredding of construction and demolition debris and the use of this processed material as alternative daily cover for the Acme Landfill.

The LEA deemed your application complete and correct on August 16, 2010. The LEA makes the following findings:

- 1) The RFI Amendment complies with the current CEQA documents for this facility.
- 2) The RFI Amendment complies with the current solid waste facilities permit.
- 3) The RFI Amendment complies with state minimum standards for this facility.

The RFI Amendment is hereby approved. A copy of the informational notice for the approval of this amendment is attached. Pursuant to Title 27, Section 21660.1(b), this notice needs to be posted at the entry to the facility for a minimum of ten (10) days.

Should you have any questions regarding the report, you may contact me at (925) 692-2549.

Sincerely,

Timothy R. Kraus, R.E.H.S.  
Environmental Health Specialist II

---

As a property owner, tenant, or person who has requested notice, please be advised that the Contra Costa Local Enforcement Agency (LEA) received and is considering an application to amend the Report of Facility Information for Acme Landfill. The LEA is certified by the California Integrated Waste Management Board to enforce state laws and regulations at solid waste sites within the County of Contra Costa, including all solid waste landfills.

*Description of Project and LEA's Preliminary Determination*

Acme Landfill is a solid waste landfill located at 950 Waterbird Way, Martinez, California. On August 12, 2010, the LEA accepted for review an application package

from Acme Landfill requesting an amendment to the Report of Facility Information. The amendment was seeking to add a waste shredder for use in the shredding of construction and demolition debris and to use the shredded construction and demolition debris as alternative daily cover. No other changes are under consideration at this time.

The LEA finds that the proposed change is consistent with the facility's solid waste facility permit (#07-AA-0002), the state minimum standards, and the facility's current CEQA documents.

The decision to approve the amendment must be made by the LEA within 30 days of the date the application was deemed complete as required by Statute. The amendments were approved on August 16, 2010.

*Where to get additional information*

A copy of the amendment application is available for public review by appointment in the LEA office located at 2120 Diamond Blvd., Suite 200, Concord, California 94520.

*Options for Submitting Comments and LEA Contact Information*

If you have any questions after reviewing the above information or would like to schedule an appointment to review the amendment application, please contact Tim Kraus at (925) 692-2500. You may also e-mail the LEA regarding this matter at [Tim.Kraus@hsd.cccounty.us](mailto:Tim.Kraus@hsd.cccounty.us). If you would like to comment on this project you may send your written comments via e-mail or fax to Tim Kraus within 14 days of the date of this notice. Fax number is (925) 692-2503 or e-mail the above e-mail address.

*Appeals Process Information*

For information on the appeals process pursuant to Public Resources Code (PRC) §44307 after the decision to approve the amendment was made, you may contact Tim Kraus at (925) 692-2500.
